

Technical Visit: Citybus #MissionZero – Visit to Hydrogen Refuelling Station and Hydrogen Bus

Organizer:

HKIE Gas and Energy Division, Institution of Gas Engineers and Managers (Far East District Section)

Date: 16th Dec 2023 (Sat)

Time: 09:30am – 11:00am

Venue: Citybus West Kowloon Depot (No.70, Hing Wah Street West, Sham Shui Po District)

Registration Fee: Free of Charge

Event Highlight

Hydrogen energy is a kind of rich, green and low-carbon secondary energy, which is widely used, and is gradually becoming one of the important carriers of global energy transformation and development. Hydrogen energy is an important part of the future national energy system including Hong Kong. The technical visit will highlight that Sustainable transportation is the inauguration of a state-of-the-art hydrogen refueling station and the introduction of hydrogen buses. The event showcases the commitment towards reducing carbon emissions and transitioning towards a greener future.
